Vertical bar railings are aesthetically pleasing, built to last and can be complemented with a range of forged-heads and finials available as an option to achieve a more decorative look.

Heights
Verticals can be any height up to 3.0m and produced from solid bar round or square, square-to-view or diamond-to-view with either blunt, domed or pointed tops.

Horizontals
Available in flat or channel section.

Posts
Intermediates, Corners and End posts are available in a wide range of sizes and materials including: RHS and RSJ, with the provision to be stepped or cranked to suit site conditions, secured

in concrete (supplied complete with optional two support legs per standard panel for concrete-in fixing) or base plated for surface mounting. All posts come with welded steel caps. A range of post head details are available for all railings as an optional extra.

Panels
Panels are available as standard to 2.72m wide panels welded in accordance with BS: EN: 1722 Pt9. Panels can also be made to suit your specific requirements - custom lengths, straight, curved or raked.

Gates
Standard gates are available or tailored-made to suit your requirements. All gates are supplied with side hung adjustable hinges, pad-lockable drop-bolts, multi-holed to suit site conditions and robust pad-lockable slide latches. See our gate range for further details.
